

RECOMMENDED BOOK: THINK & GROW RICH

I have recently re-visited “Think and Grow Rich” by Napoleon Hill, a book I was first introduced to and read almost 2 decades ago. This time I’ve decided to listen to the audio book version, since I have been spending so much time in the car. As I was listening to Chapter 3 on “Faith”, I heard an ever so familiar poem. It was like hearing a familiar song that I haven’t listened to in years. Even though I didn’t consciously know what the next words were going to be, I found myself reciting the poem along with the narrator. It was then that I realized that this poem was rooted deep into my subconscious. These words had made an incredible impact on my thoughts and beliefs early on in my professional career and therefore, these words have changed my life forever! If you have ever read the book, “Think and Grow Rich” you have heard this before. However, I would still like to share this with all those who have never heard this before. Maybe it can be as impactful to you as it was for me.

Whether you think you can, or
you think you can't, either
way...you're right!

“If you *think* you are beaten, you are,

If you *think* you dare not, you don't

If you like to win, but you *think* you can't,

It is almost certain you won't.

“If you *think* you'll lose, you're lost

For out of the world we find,

Success begins with a fellow's will-

It's all in the *state of mind*.

“If you *think* you are outclassed, you are,

You've got to *think* high to rise,

You've got to be *sure of yourself* before

You can ever win a prize.

“*Life's* battles don't always go

To the stronger or faster man,

But soon or late the man who wins

Is the man WHO THINKS HE CAN!”
